The Robert Jones & Agnes Hunt Orthopaedic Hospital, Oswestry

20th Oswestry Foot & Ankle Course

Convened by the Oswestry Foot & Ankle Group

Date: Monday 6th - Wednesday 8th December 2021

Venue: The Robert Jones and Agnes Hunt, Orthopaedic Hospital NHS Foundation Trust, Oswestry, Shropshire.

Target Audience: ST3-8 Trainees, SAS Doctors and newly-appointed Consultants

This 3-day course will cover most of the core curriculum for the foot and ankle. Lectures aim to provide delegates with a core understanding of the management of common foot and ankle problems and topics include biomechanics and gait, the evaluation and treatment of forefoot, midfoot and hindfoot pain, the role of orthotics and what to prescribe. Also featured:

- Hands-on examination techniques with sawbones workshops
- Arthroscopy workshops
- Hands-on patient clinical examinations with case based discussions
- Anatomy with cadaveric dissection demonstration
- Opportunity to complete work-based assessment for portfolio

Although likely to be highly popular, delegate numbers are limited.
